Introducing a CPA Approved Craftsman for your home improvements

We are pleased to introduce the aforementioned company as members of the Consumer Protection Association.

When looking to purchase home improvements it is vital that you select a professional company to carry out the works.

All CPA members are fully vetted

Prior to attaining Consumer Protection Association membership all companies are fully vetted including both financial and trading record checks, furthermore we continually monitor our members by asking their customers to complete a post job completion survey.

In addition to holding full Public Liability insurance our members are also required to offer you both Deposit and Guarantee Insurance*, as a safeguard to ensure that whatever the future may bring, your investment will be protected.

Buy with complete peace of mind

We are confident that should you choose to buy from the above member you will be delighted with your purchase, therefore we are very pleased to recommend them to you.

Please note, only a CPA Approved Craftsman can display our logo. It's a mark of our approval and there to reassure you that you are dealing with a reputable company, able to offer you a professional service and guarantee their work for up to 10 years.

If you have any questions or wish to verify the credentials of the company above please call us on 01462 850064 or visit www.thecpa.co.uk.

Yours sincerely
